IN THE UNITED STATES PATENT AND TRADEMARK OFFICE

In Re Application of :

Aiko Hanyu, et al.

Serial No. 09/810,956

Examiner: Terazano, D.

Filed: March 16, 2001

Art Unit: 1773

For: Heat Seal Films and Method
Of Manufacture

ARGUMENTS FILED IN CONJUNCTION WITH REQUEST
FOR CONTINUED EXAMINATION

The claims were amended after final and were entered in paper #8 mailed on July 24, 2003. Paper #8 indicated that the claims stood as rejected over the prior art. Because of the sequence of events, the following arguments, although previously submitted, are believed not to have been considered in view of the claims as presently submitted and are therefore resubmitted for consideration.
